## Duke TSC Proofer / Oven; Duke IVS (Integrated Ventilation System)

Duke Manufacturing Co. warrants to the original buyer that its Equipment shall be free from defects in material and workmanship for the period specified in this warranty.

### WORLDWIDE LIMITED PRODUCT WARRANTY 3 Year Limited Parts and 1 Year Labor

The warranty period commences with the date of installation of the Equipment. All labor and parts expenses after expiration of the warranty shall be the responsibility of the end user. Duke Manufacturing Co. will bear the labor and parts expense during the warranty period.

The warranty includes travel time portal to portal, not to exceed 100 miles (160 km) round trip, or two hours total travel time. Repairs due to abuse, misuse, handling or harsh chemical action are not covered. Removal of the identification rating plate voids the warranty, as does operation at the incorrect voltage. Improper installation or unauthorized modifications made to the equipment by any party also voids the warranty. Damage due to floods, fire or other acts of God also are not covered. This warranty does not cover glass, routine maintenance activities, any failure that results from lack of, or improper equipment maintenance activities. Adjustments, such as leveling, calibration or tightening of fasteners normally associated with the installation related to plumbing, electrical or gas connections are the responsibility of the installer.

Duke Manufacturing Co. does not recommend or authorize the use of any product(s) in a non-commercial application, including but not limited to residential use. The use or installation of product(s) in non-commercial applications renders all warranties, express or implied, including the warranties of MERCHANTABILITY and FITNESS FOR A PARTICULAR PURPOSE, null and void, including any responsibility for damage, costs and legal actions resulting from the use or installation of product(s) in any non-commercial setting.

To the extent allowed by law, any express warranties or any implied warranties of merchantability or fitness are limited to the replacement guarantees above and any other warranty is disclaimed.

Certain states/countries disallow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to the Purchaser. This warranty gives the purchaser specific legal rights. The Purchaser may also have other rights, which vary, from state to state, country to country.

This warranty and the obligations assumed by Duke Manufacturing Co. are exclusive and in lieu of all other liabilities and warranties, expressed or implied. Duke Manufacturing Co. shall not be liable, directly or indirectly, for consequential or incidental damages, including, but not limited to, any loss of business profits. Damages incurred to, or suffered from, in connection with repairs made to the oven by persons for firms not specifically authorized to do so by Duke Manufacturing Co., are not the responsibility of Duke Manufacturing Co.
